Tesla, Eldorado, Shaman and V12 Rolling to Pinball FX2 on Xbox LIVE® Arcade

Los Angeles, CA – **December 10, 2012** – Zen Studios, the definitive leader in videogame pinball, today announced *Zen Classics* as DLC for *Pinball FX2*, the hugely popular game on Xbox LIVE® Arcade. Each table in this 4-table pack has been digitally re-mastered with upgraded graphics and physics, and will seamlessly integrate into the *Pinball FX2* game system.

“It is incredible that support from our fans has enabled us to continue making content for Pinball FX2 more than two years after its release,” said Neil Sorens, Zen Studios’ Creative Director. “The *Pinball FX2* community is one of the best out there, and we know they have been anxiously awaiting the release of these original designs.”

Zen Classics Tables:

Conduct dangerous experiments and uncover the mysteries of the brilliant turn-of-the-century scientist in **Tesla**. Guide the silver ball to emit electromagnetic waves and activate electric arcs that provide life to the genius inventions that power the world we enjoy today.

Experience life as a novice witch doctor who must master the trade of summoning spectacular phenomena in **Shaman**. Maneuver the silver ball through treacherous spin discs, ramp jumps, challenging missions, and crazy playfield toys! Harness the power of the supernatural and prove you are the true Shaman.

The treasures of **Eldorado** have long been buried in the depths of dangerous jungles in ancient Mayan lands. Journey through the perils of the ancient ruins, activate Mayan technology to unlock puzzles, and avoid deadly traps during the hunt for hidden treasures that will make you rich beyond your wildest imagination.

Tune your engines for maximum performance in **V12**, a pinball table for automotive gearheads! Upgrade parts and create the perfect driving machine as you turbo charge your way around the ramps. This table is built for those who live life without limits, so max the nitro tank and be the first to cross the finish line!

Zen Classics will release on December 12th for 800 MSP.
