

Star Wars™ Pinball: Balance of the Force Coming Soon for Download

Feel the disturbance in the Force with Three Brand New Star Wars™ Pinball Tables

Los Angeles, CA – **September 10**, 2013 – The pinball wizards at Zen Studios are pleased to announce *Star Wars™ Pinball: Balance of the Force*. The pack features three new tables in the critically acclaimed pinball series that immerses players in the *Star Wars™* universe. The tables will be available for download on digital stores later this fall.

An announcement trailer and screenshots were released for the new pinball pack, which can be linked from the Zen Studios [YouTube](#) channel or downloaded from the [Zen Studios Press Center](#).

"The ancient Jedi prophecy foretold one who would bring balance to the Force. They probably didn't imagine that balance would come in the form of two huge, equally matched armadas engaged in desperate battle above Endor, or in the form of a rogue Jedi nearly eliminating his own order and then, much later, his Sith master," said Neil Sorens, Zen Studios Creative Director. "If those prophets could have seen this all come to pass in the new Balance of the Force pinball tables, they'd be flipping out."

Star Wars Pinball: Balance of the Force table lineup:

The fate of the galaxy is in your hands! Help the rebellion destroy the Sith and the fearsome Death Star in the ***Star Wars: Episode VI Return of the Jedi*** table. Aid Luke Skywalker, Han Solo, Chewbacca, Princess Leia, Lando Calrissian, R2-D2, and C-3PO in their fight against the Sith in order to restore peace to the galaxy.

Pay tribute to the Dark Lord of the Sith in a table dedicated to **Darth Vader**. Use the dark side of the Force to mercilessly pursue the Jedi and Rebel Alliance and face off with Obi-Wan Kenobi and Luke Skywalker.

Support the Rebel Alliance's Fleet or the Galactic Empire's Armada, as you lead your side to victory in ***Star Wars™: Starfighter Assault***. The table features legendary Starfighters like the X-wing and TIE Fighter, and iconic vessels like the Millennium Falcon and the Death Star II.
