

Pinball FX2 VR Goes Mobile on Samsung Gear VR

The definitive VR pinball experience comes to mobile VR with a host of exciting content!

San Francisco, CA – February 16, 2017 – Zen Studios is excited to announce that their blockbuster virtual reality pinball title, Pinball FX2 VR, is available now on Samsung Gear VR! The Gear VR version takes the exciting gameplay and impressive levels of immersion to the VR platform in a way that pinball fans won't want to miss.

Pinball FX2 VR comes with three fan favorite original tables: Mars, Epic Quest, and Secrets of the Deep. At launch on Samsung Gear VR, Paranormal, CastleStorm, Earth Defense, Wild West Rampage, Biolab and **The Walking Dead** are available each as separate in-app purchases, with even more tables on the way!

Already a smash hit on PC and console-based VR platforms, Pinball FX2 VR is the premiere way to experience pinball in virtual reality. Pinball FX2 VR replicates the atmosphere of real-life pinball machines in a virtual play space, while presenting gameplay features and effects that you simply cannot recreate on a physical machine. Additionally, the game's rich scoreboards will track your Pro Score, Team Score, table stats and more to let you compete against players from all over the world!

An exciting new way for people to play pinball, Pinball FX2 VR moves beyond the silver ball to a mesmerizing and immersive VR experience. Animated toys spring to life on stunningly active table environments with spectacular depth.

Pinball FX2 VR hits Samsung Gear VR today, February 16, 2017 for \$4.99. Paranormal, CastleStorm, Earth Defense, Wild West Rampage, and Biolab are each available as in-app purchases for \$2.99, while **The Walking Dead** table is available as an in-app purchase for \$4.99.
