

Pinball FX2 VR Now Available for Windows Mixed Reality

The Definitive VR Pinball Experience Brings 8 Tables to Microsoft's Innovative New Platform!

San Francisco, CA – November 21, 2017 – Zen Studios, the creators of critically acclaimed digital VR games like *CastleStorm VR*, has revealed that *Pinball FX2 VR*, their hit virtual reality pinball experience, is now available for Windows Mixed Reality. The original base pack as well as season one's downloadable content are available now on the Windows 10 Store, providing a great selection of table themes to experience in immersive mixed reality.

Already a smash hit across multiple platforms, *Pinball FX2 VR* is the premiere way to experience pinball in virtual reality. *Pinball FX2 VR* on Window MR replicates the atmosphere of real-life pinball machines in a mix of physical and virtual play spaces, while presenting gameplay features and effects that you simply cannot recreate on a physical machine. It's the perfect blend of realities to elevate your pinball experience to new exhilarating heights! Additionally, the game's rich scoreboards track your Pro Score, Team Score, table stats and more to let you compete against players from all over the world!

Pinball FX2 VR on Window Mixed Reality is an exciting new way for people to play pinball, moving beyond the silver ball to a mesmerizing and immersive mixed-reality experience. Animated toys spring to life on stunningly active table environments with spectacular depth. The game includes Secrets of the Deep, Epic Quest and Mars, and *Pinball FX2* Season 1 downloadable content is also available, adding *CastleStorm*, *Wild West Rampage*, *Paranormal*, *BioLab*, and *Earth Defense*.

Pinball FX2 VR is available now on Windows MR for \$14.99. *Pinball FX2 VR* Season 1 Pack DLC is also available for purchase for \$24.99. For more information please visit blog.zenstudios.com.

About Zen Studios

Zen Studios is a leading global producer and publisher of interactive entertainment software for all major digital game platforms, and is recognized as one of the premiere independent gaming studios in the world. Zen is an internationally renowned publisher headquartered in Budapest, Hungary with offices in the United States.
